# Recipes Every College Student Should Know (Stuff You Should Know)

## Synopsis

Cooking goes to college in this must-have pocket guide. Perfect for hungry dorm-dwellers, this guide will help students make and eat healthy snacks, meals, and other tasty bites. Discover quick breakfasts to help you make it to class on time, backpack-friendly lunches, dormmate dinners for a crowd, study break snacks, and of course an infallible recipe for microwave mug cake plus basic tools, terms, nutrition, budgeting guides, and safety tips for beginning cooks. No matter if you've got a microwave and an electric kettle or a full-sized kitchen, this book will have you well-fed and back to studying (or video games) in no time. Recipes include: Breakfast Burritos Hummus and Veggie Wraps Healthy Avocado and Sunflower Seed Sandwich Bacon: Microwaved or Panfried Chocolate-Covered Popcorn And more!

## Customer Reviews

âœNelson delivers some core pieces of wisdom about cooking in college. "Publisher's WeeklyâœGot a college student? Or just a kid who with some kitchen curiosity? Recipes Every College Student Should Know, which is perhaps the world's smallest cookbook, can get them started. Although it measures just 4-by-6-inches, it's akin to Cooking 101.âœThe Virginian-PilotâœThis is, by far, the best guide for college students to learn to cook I've ever seen. It is clear, interesting, and has tasty, filling, healthy recipes."Dr. Jessie

CHRISTINE NELSON is a writer, cook, and accountant in Clayton, New Jersey. She hasÂ four college-age sons who routinely call her for advice at dinnertime.

I am a teacher and some of my students are going away to college. I thought that this would be a cute gift along with a gift card to a grocery store.

Ordered for my great grandson, who is going to be a sophomore at University of Arkansas (go Razorbacks) and will have his own apartment this year - great book for a boy who does not know how to cook, especially with the lists of necessities for the ktchen.

I got this little recipe book for my beloved so that he can have a guide for college cooking! :) I looked through it before I gave him his present, and I would like to buy one for myself, or to give another one to someone else who needs it. My beloved does not cook much and he isn't so experienced in the kitchen, but this little book is perfect for "those types of people". I'm more experienced in the kitchen, and I just love to cook meals, but having this little Ramen book would be great for days when I want to make something easy and tasty. Thank you!

small book -great for small college dorms- print easy read!

it is a cute gift for my college student. if anything gives him some starting ideas to continue his cooking as an adult.
