Great images and great for using markers! Single paged so it won't bleed through. My friend loved it! Liked that it had pages at the end for prayers and notes.

WAY!

I think the books are too dark on the inside. Too much black space.

Awesome product! Bought 2 for a friend and myself, and I'm about to order the other ones too!

You purchased this item on May 31, 2016. View this order* I love adult coloring and I have a few devout Catholic friends that I thought might appreciate these instead of some of the adult coloring books that I have. Please take a look at the video I will be adding soon so you can get an idea of what is inside. I like the pretty flowers in this one. This seems like a good beginnerish coloring book to give away, I always think some pens or pencils with a coloring book is a nice touch unless you are giving it to me because I seem to have taken up hoarding pens, pencils, and markers. Overall this would be a nice present to any Catholic friend or treat yourself. Why not? I received this item at a discounted rate for my honest and unbiased review. These are my opinions only and not swayed by me receiving a discount or not. If a product works exactly as the seller described and looks just like it was portrayed in their pictures, is sent out quickly, etc. then I believe a seller deserves a good review. I do take this seriously and do not only leave five star reviews however I do contact the seller and give them the chance to correct any issues there might be before leaving feedback. Thanks for looking at my review, I hope it was helpful and you enjoyed it. If you have any questions please ask.

I have recently started coloring for stress relief. It is nice and relaxing to sit in the evening with the family and I find that I can enjoy it more if I am coloring. For some reason I feel like if I am sitting, I need to be doing something. I ordered the Color The Gospel: Catholic Coloring Book for this purpose. I figure that I can at least be inspired and reflect on the scripture while I am coloring. It at least makes me feel better about sitting and not accomplishing more than a colored page. The Color The Gospel coloring book is what the author calls Sunrise/Sunset. This means that each scripture picture has two copies. One is white with black drawing (SUNRISE) and the other is black with white drawing (SUNSET). The SUNSET version reminds me a lot of the black velvet fuzzy posters you can buy for children. It just is not fuzzy. None of the pictures are especially complicated to color. I really like this. Who wants to be stressed out trying to color when you are doing it to relax? I have found that the SUNRISE pictures work well with colored pencils and the SUNSET pictures really stand out with markers. Each of the pages are one-sided with a black design on the back. If you

wanted to tear them out, you do not waste a picture on the back. This is definitely a plus. Also, if you use markers, you don't risk the markers bleeding through and messing up the picture on the back. I tried using markers on the SUNSET picture and could not see where any of the markers bled through. There are no marks on the black back or on the next picture. Also, the black on the NIGHT picture did not smear into my markers. Each of the pages are thicker than regular paper but not as thick as cardstock. They are thick, but still flexible. This book contains the following scriptures from the NAB: John 8:32 - You will know the truth, and the truth will set you free John 14:1 - Do not let your hearts be troubled Matthew 11:28 - Come to me, all you who labor and are burdened, and I will give you rest Mark 16:15 - Go into the whole world and proclaim the Gospel John 3:5 - Amen, amen, I say to you, no one can enter the Kingdom of God without being born of water and spirit John 3:3 - No one can see the Kingdom of God without being born from above Matthew 6:9 - Our Father in Heaven, hallowed be your name Matthew 7:8 - To the one who knocks, the door will be opened John 1:9 - The true light, which enlightens everyone, was coming into the world Mark 9:23 - Everything is possible to one who has faith Matthew 7:1 - Stop judging, that you may not be judged John 1:7 - He came for testimony, to testify to the light, so that all might believe John 13:34 - As I have loved you, so you should also love one another John 3:16 - For God so loved the world that he gave His only Son Luke 4:18 - He has anointed me to bring glad tidings to the poor Matthew 5:14 - You are the Light of the world Mark 12:38 - You shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength Matthew 5:13 - You are the salt of the earth John 1:1 - In the beginning was the Word, and the Word was with God, and the Word was God John 14:6 - I am the way and the truth and the life Mark 11:24 - All that you ask for in prayer, believe that you will receive it and it shall be yours Luke 1:4 - So that you may realize the certainty of the teachings you have received John 1:14 - The Word became flesh John 4:24 - Worship in spirit and truth John 14:15 - If you love me, you will keep my commandments John 1:29 - Behold the Lamb of God, who takes away the sin of the world Mark 8:34 - Whoever wishes to come after Me must deny himself, take up his cross, and follow Me Matthew 28:19 - Go, therefore, and make disciples of all nations Matthew 6:33 - Seek first the Kingdom of God Mark 10:45 - For the Son of Man did not come to be served but to serve

Coloring was one of my favorite things to do as a child. I was a pretty hyperactive kid and, apparently, this was found to be one of the best ways to get me focused and calm. These have been used as tools for children for ages to lower stress and subliminally teach other skills, yet their use for adults has only recently been re-discovered. I lead a pretty good life but still find myself getting stressed out on occasion and struggle to find an outlet for it. A friend suggested this several months ago and, while I initially scoffed, it has become my new favorite way to relax and get re-focused. I have really been enjoying taking my time going through this one. I have always been able to find something to suit my particular mood. I am a person who appreciates symmetry and there is plenty of that to satisfy here. The quality of the book is very nice. I usually color with pencils so have no issues with color bleeding through pages. However, if I decide to color with pens or anything heavier, I put something behind the page to protect the rest of the pages. A fantastic adult coloring book that I am enjoying immensely. Like you I depend on reviews to help me decide what product or seller I purchase from. I hope my review was helpful. I have received this product at a discounted rate in exchange for my non-biased review.
