The Cruel Prince (The Folk Of The Air)

Synopsis

By #1 New York Times bestselling author Holly Black, the first book in a stunning new series about a mortal girl who finds herself caught in a web of royal faerie intrigue. Of course I want to be like them. They're beautiful as blades forged in some divine fire. They will live forever. And Cardan is even more beautiful than the rest. I hate him more than all the others. I hate him so much that sometimes when I look at him, I can hardly breathe. Jude was seven years old when her parents were murdered and she and her two sisters were stolen away to live in the treacherous High Court of Faerie. Ten years later, Jude wants nothing more than to belong there, despite her mortality. But many of the fey despise humans. Especially Prince Cardan, the youngest and wickedest son of the High King. To win a place at the Court, she must defy him--and face the consequences. In doing so, she becomes embroiled in palace intrigues and deceptions, discovering her own capacity for bloodshed. But as civil war threatens to drown the Courts of Faerie in violence, Jude will need to risk her life in a dangerous alliance to save her sisters, and Faerie itself.

Customer Reviews

Praise for *The Cruel Prince*: "Lush, dangerous, a dark jewel of a book. Black's world is intoxicating, imbued with a relentless sense of peril that kept me riveted through every chapter of Jude's journey. And Jude! She is a heroine to love--brave but pragmatic, utterly human. This delicious story will seduce you and leave you desperate for just one more page." —Leigh Bardugo, #1 New York Times bestselling author of *Six of Crows* and *Crooked Kingdom*
Praise for *The Darkest Part of the Forest*: A Kids' Indie Next List Book of the Year "Black returns here to the dark faery realm that spurred her initial success, and if anything, she's only gotten better, writing with an elegant, economical precision and wringing searing emotional resonance from the simplest of sentences." —The Bulletin, starred review
