Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

There are pop melodies but some of the keys are very challenging, Eb is not an easy key for flute. If you are a skilled player they will be easier.

Good price and some good songs. Thanks

We ordered this for my 6th grade beginner level flute player. She knew about half the songs in the book. She said she was so happy to play something beyond hot cross buns and other "old boring songs"

Flavor is excellent but unfortunately it's all bones. Impossible to eat and a waste of money. The can has about 2 tables spoons of snake. All you see are little bones so picking out the meat is impossible!! Very disappointed. Don't waste your money. Sorry !! Remove this item ASAP!!!!!!
