She loves the outdoor and has mastered the art of camp cooking on open fires and barbecue grills. In colder months, she loves to whip up some slow cooker meals, and uses her favorite cooking tools in her kitchen, the cast iron pans, and Dutch oven. She also is very busy preparing Christmas treats for her extended family and friends. She gets busy baking for the holiday season sometimes as early as October. Her recipes are cherished by everyone who has tasted her foods and holiday treats. Louise is a part-time writer of cookbooks, sharing her love of food, her experience, and her family's secret recipes with her readers. She also loves to learn and share tips and tricks to make life better.

I'm excited to try these recipes on our next camping trip. They look delicious and easy.

Great camp out cookbook. I bought this volume without having read the first. Am definitely getting the first volume now! So many good ideas! Very pleased with my purchase!

A little too much prepared ingredients, like can's of soup etc... things that are easy but you wouldn't necessarily be using at home. Not enough quality ingredients. Gives a lot of ideas to open your thoughts to more creative alternatives. If you are using canned soups and mixes at home, you'll love this.

Great book!! Fun ideas

This book has a lot of valuable information and really great recipe that work just as good on your grill as they do around the camp fire. Thank you and enjoy your day.
