# Tonight, She's Yours: Cuckold Fantasies

## **Synopsis**

Go beyond traditional fantasy; cuckolding is where it's at! Imagine.... You're fast asleep, and your wife comes home late. She whispers a question next to your ear, "Would you like to know what I just let another man do to me?" Her words aren't loud, but the sentiment rouses you. Or.... What if you want to show your husband how you need to be taken by other men, while he is only permitted to watch? Or.... What if you've known for a while now that your wife isn't satisfied, and that it's time to enlist the help of another man, finally giving her what she wants? What she deserves; a man whose physical prowess far surpasses your own. These are but some of the aspects of the cuckolding fantasy. Cuckolding is deeply layered. From privately whispered scenes between a hot wife and her cuck, to a wide range of humiliation play requiring the adept skills of a big, beautiful bull...or three.
