Synopsis

The girls of Little Mix share the real behind-the-scenes story of their personal lives and their success. They reveal the many highs – performing in front of thousands of people, seeing their music soar to Number One around the world – but also the lows. Through it all the girls have had each other, and their close friendship has grown stronger. Now the girls are like sisters, and they share their journeys and how it feels for dreams to come true. Brimming with exclusive photos, this book shares the girls' innermost secrets – their hopes and dreams, their families, their relationships, their style advice, and above all their friendship. This book is Little Mix's story in their own words, and tells you everything you need to know about their lives both in and out of the spotlight.

Celebrate Little Mix's first UK number-one album - Glory Days - by reading the full story of the girls' astonishing rise to pop super stardom. Our World is full of exclusive photos and inspirational stories about Jade, Perrie, Jesy and Leigh-Anne's unique friendship. - - from the publisher's description

Little Mix first found fame – and each other – on The X Factor in 2011. Their debut album, DNA, earned the highest debut U.S. chart position by a British girl group, breaking the record previously held by the Spice Girls. They've earned two MTV Europe Music Awards and two Teen Choice Awards. They toured the U.S. supporting Ariana Grande in Spring 2017.

This book is brimming with candid writing from all four girls about their childhood, families, relationships, and artistic struggles before The X Factor, as well as insights into their time on the reality TV show, and what it was like to be thrust into the limelight and beyond. It gave context to why their bond is so strong, and the humanity behind their pop-stardom. Loved it.

A great insight into their personal lives and their career.

The girls are so incredibly honest and open in this book. I completely loved learning so much about them! Thank you little mix for sharing your lives and music with us mixers.

Such a cute fan of little mix love hearing their journey. A must get!

Excellent

I love it..! I love all the emotions that I get when I read it. Basically all the girls had been through almost the same thing, it is truly amazing to have each other. I'll always be a proud MIXER.. 'LM

Can tell they wrote it. Good read if you are a fan.

Great for knowing their whole story, from their childhood to their stardom. Definitely worth your money if you're a Little Mix fan.
