## Synopsis

Congratulations! You've Found the Ultimate Guide to California Travel! You are super lucky to be going to California, and this guide will let you know all of the coolest things to do, see, and eat in places like Los Angeles, Malibu, San Francisco, the Napa Valley, Yosemite National Park, San Diego, and more.

**Why You Need 101 Coolest Things to Do in California**

This California guide will give you the lowdown on: the very best things to shove in your pie hole, from the best of LA's food truck scene through to a 19th century soda fountain; incredible festivals, whether you would like to party hard in the desert or you'd prefer to chow down at an annual strawberry festival; the coolest historical and cultural sights that you simply cannot afford to miss from world-class museums to Scandinavian style mansions; the most incredible outdoor adventures, whether you want to try out surfing in Malibu, or you want to climb to dramatic mountain peaks in Yosemite National Park; the places where you can party like a local and make new friends; and tonnes more coolness besides!

The Samuel Oschin Planetarium, located in the Griffith Observatory in Los Angeles, is often considered to be the greatest planetarium in the whole world. With its star projector, digital projection system, state of the art aluminium dome, and surround system this hardly seems surprising. Make sure you check out their Centered in the Universe show, which takes visitors on a magical journey of cosmic exploration

Excellent resource for visiting Southern California. We have not been on the trip yet but this guide gives us a great lay of the land and plenty of highlights to take in. Very informative, I'm taking it with me on my trip, it will come in handy. I recommend it. It helped me with my trip. More of a travel guide for those planning ahead, great book,

This book was very informative and we used it often during our California trip. Well organized. Would recommend. Very informative, I'm taking it with me on my trip, it will come in handy. I recommend it. Great information and an easy to read format. Best travel guide book,

I am planning a trip to California and find this book very helpful. Great book! It came in very handy on our current trip and we will continue to use it in the future. It's very helpful, I am travelling in California and this book has been very useful!

The simple format and easy read of each book makes it easy to find the information you need and skip over what you don't. Will definitely be buying Lonely Planet the next time I travel! It's very helpful, I'm travelling in Cali and this book has been very useful

It would have been nice to have at least some photos.

Great book for traveling California. I am impressed!
