A hit for my supervisor's birthday!

ordered this when the adult coloring books started out. I bought it as a gag gift but ended up using it . I find it very relaxing and the diferent f bomb phrases give me a good laugh!!

Overall happy with this book, The pages could have been a bit thicker and most of all detachable! But I'm still loving the designs, I also purchased one for my brother!

I got this as a gift. I showed the book to many people and we all got a good laugh. A lot of different variations on this word, some that I have never heard of and now I am glad I have!

4 stars simply because I wish the pages were slightly thicker. They bleed through when using markers.

Couldn't wait to get this when I ordered it! I wasn't disappointed!!! It has great designs and I love the Mandalas!

While the Mandalas are beautiful, the actual sayings are not that great. I'm not sure who says some of these things.

Gave as a gift to a friend that likes to color. She absolutely loves it!
