Customer Reviews

It is well done. Paper dolls, in general, are difficult to use because the tabs tear. I'm planning to apply a magnet sheet to the dolls and their clothes.

good quality

Nice paper dolls!

Paperdolls were as expected. Stickers book was much smaller than anticipated

We do a home school co-op class. This book helps us see styles for our History unit, we love

paperdolls.

Wonderful games for old fashioned but moderne players. How many things it is possible to learn with these paper dolls!

High quality paper dolls. The historical dolls are a really wonderful way to help kids really visualize history I have made permanent paper doll stands from railings available from places like Home Depot or Lowes). If you have access to a table saw you can cut a groove into the top of the rounded part of the railing. I have found that 2" to 2-1/2" in length is good. Stain & varnish if you like. These really help to keep the dolls standing up & makes actual play more fun for children.

this one looks really nice in actual. i really love how it looks.
