Live Your Life Insurance - Canadian Edition: An Age-Old Approach Revitalized

Synopsis

"Live Your Life Insurance - Canadian Edition" is the Canadian version of the original book of the same name written by Kim Butler. The book has been adapted by Antoine Rempp and Douglas Guest to fit our Canadians laws, especially when it comes to taxation, and will show you exactly how you can take advantage of one of the most common, but misunderstood, financial tools. In it, you'll discover exactly how you can use your life insurance to benefit you while you are alive -- and help you build financial security. In addition, it will reveal ways to make the best of your policy no matter what age you are. Most people don't realize what a powerful tool they have in their life insurance policies -- this book will be your guide.
