Memorias De Cristal (Spanish Edition)

Synopsis

Cuando Sabrina Boggs se topa con una coleccion misteriosa entre las pertenencias de su padre, descubre una verdad donde nunca habia pensado que habria una mentira. El hombre con el que habia crecido y al que creia conocer, de pronto se revela como un extrano. Gracias a una situacion inesperada que le permite interrumpir su actividad cotidiana, cuenta con un dia para descubrir los secretos de su padre. Un dia en el que saldran a la luz recuerdos, historias y personas cuya existencia desconocia. Un dia que la cambiara a ella y a los que la rodean. Esta es una novela que invita a la reflexion acerca de algunas decisiones que parecen de poca importancia, pero que traen consecuencias que afectan nuestras vidas de forma extraordinaria. Y nos hace comprender como a veces el descubrir algo sobre una persona significativa en nuestras vidas, nos permite comprendernos a nosotros mismos. / A forgotten childhood. A discovered life. What if you only had one day to find out who you really were? When Sabrina Boggs stumbles upon a mysterious collection of her fathers possessions, she discovers a truth where she never knew there was a lie. The familiar man she grew up with is now a stranger to her.
