This book was very helpful in finding battlefields when I was on a trip to Virginia. I used it together

with The Civil War Battlefield Guide, Second edition by Frances Kennedy.

Well written and exactly what I needed to start my trip to the battlefields. Lots of great information and back stories.

Great read for those interested in exploring the Battlefields...and some that aren't so well known too.

Thanks.

Nice as a guide to the various battlefields of the civil war, including in areas that don't get a lot of attention. Also includes a bit of history about the areas. Will use extensively when planning my trip to the East Coast this fall.

Very comprehensive and detailed. Lots of facts. Well written. Helpful in planning.

Lots of informatio!

Great book to take along on your Civil War battlefield tour.
