Customer Reviews

My son is a huge Star Wars fan. He was thrilled with this recorder music.

I really liked this book. I was going to purchase another Star Wars recorder book, but it didn't have the selection that this one does. This one does require a knowledge of reading music. The pieces are difficult for me. I have been playing the French Horn for 9 years. Recently (because I joined the SCA), I started learning the recorder. I have been practicing for about 3 weeks and can play many of the songs in this book with some stumbles. The songs are well written and not dummed down. I suggest this to anyone who can read music and wants to play the Cantina Song on their recorder.

Has the best star wars music it does!
