What a great resource for dental professionals wanting to up their game and keep their practice active on social media. Rachel has done so much of the leg work!! This book is so well put together! Such great ideas and fun ways to highlight YOUR office on social media and make it fun and relevant to the day of the year! Thank you Rachel Mele! I will be recommending this book to all of my dental clients!

This book will give you ideas to try to get interaction on the page. Some of them are a stretch. Honestly I have been disappointed paying \$20 for this book. I think social media should tell the story of your practice with photos/videos within your practice each day. I use it as a fall back if I run out of anything to say.

Great invaluable tool! A must have. Lisa Baron, MS, CCC/SLP and William Meyers

What a great inspiration for engaging social media posts! Merle makes it so easy to market your practice with this template. Why would you not buy this?!

Creative and interesting ideas. I wish my dentist used some of these cool tips and tidbits! Every idea is engaging and different.

Phenomenal ideas for any small business!

A must have tool for any practice!

A must read!
