I bought this book about 8 years ago and have picked it up and read it from time to time. Every time I read it I think of someone I need to share it with...take my advice, buy 5 and just hand them out. Give it to a young mother who seems overwhelmed, a group leader with college aged kids, a family with teenagers. It applies to my teenagers today as perfectly as it applied to my kindergartens years ago. I love this book and highly recommend it!

didn't know it would come without the cover but then I realized that I bought a used one which is fine. This book is amazing. It will change your life and your perspective about praying over your kids. My friend who was a homeschool mom for 18 years with five kids recommended it to me (a sweet young single mom of one child -who has been quite a handful, LOL) but yes this book is amazing!)

Every parent should get this book and pray the word over their children. You will see a big difference in your children. Pray the word over them every day especially before and after school.

It is a powerful way of standing in the gap as a mom for my son Luke that will cover him with God's grace, mercy, favor, protection, and guidance today tomorrow and all the days of his life. I give all glory and honor to my Lord and Savior for coming across this book. I highly recommend this book to praying mothers and even mothers to be!!!

So I already had this book and bought as a gift for my sister-in-law at Christmas. This is such a great book, full of real life stories of moms praying for their kids and more importantly BIBLE VERSES. I love that this book is full of verses yet, doesn't feel dry or preachy and after I read it, I always feel inspired to pray for my family and have more direction how to do that. I also have started praying with another mom at my kids' school and we use this book as a guide.

This book is amazing. It is hard to put it down once you start reading. I always find myself with pen and notecards writing down the scriptures and praying them over my students. Beautifully written.

This book exceeded my expectations by miles. When I received the book I flipped thru the pages and was so inspired to pray immediately for my children grandchildren and great grandchildren. Book touched on topics that were perfect for situations with God's confirmation in Scripture. This book should be a highlighted underlined scribbled in the margins book on the bookshelf of anyone with offspring of any age

I believed the word of God is powerful, and when you speak the word of God to your children, God's hand is upon them. This book helps you speak the word for your children's life. I watched the scriptures come to life over my children, because of the word. The words of Jesus is life because it is a anointed book to encourage you to pray for your children daily. God protection and wisdom and love is upon us and Jesus Christ wants the best for us and our children. you will be blessed and encouraged as you read this book and share it with your children.
