Chasing Prophecy

Synopsis

"A stellar read for teens and adults! This book is full of hilarious growing pains, tenderness, and a few surprises. The author delivers an absolutely irresistible narrator in Mo Kirkland. Every page ripples." --Kirkus Reviews
Boulder Creek is a Washington mountain town famous for its recent appearance on an episode of "Finding Bigfoot". Mo Kirkland has never seen the monster that local tribes call Skookum, doesn't believe in the legend at all. He has bigger problems--like surviving high school while crushing hard for a mysterious girl named Prophecy. When she vanishes, Mo learns that real monsters don't always hide in the woods. Sometimes they turn up much closer to home.
Chasing Prophecy is a heartwarming coming of age story about a boy who risks everything for the girl he loves. Readers are raving about this genre-bending thriller with a fresh paranormal twist and surprises at every turn.

Customer Reviews

"A stellar read for teens and adults, full of hilarious growing pains, tenderness, and a few surprises.

Every page ripples" --Kirkus Reviews."I cannot stop gushing about this book. Without

hesitation, I recommend this." --Kristen Noel."(These words) will stay with me long after

reading this book." --Character Connection Book Reviews
"A very imaginative coming of age

story, the ending was particularly beautiful. These kids . . . I am so happy to have gone on their

journey with them."--Live a Thousand Lives Reviews

To Kill a Mockingbird's Boo Radley inspired this book. ã ã

A wonderful coming-of-age story with some serious issues going on. The characters and story line are very realistic, and I even applaud the part Sasquatch had in it all. I look forward to the future works by this author. Recommend! I received this from the author for an honest review.

This was quite an ambitious writing project - taking on cults versus communities, friendship and love, being "mainstream" versus being "unusual", and more. And Moser did all this without being heavy handed. He wrote a light-hearted serious book that opens a lot of topics for discussion, if you are so inclined. The end of the story was a bit of a stretch but it was a forgivable stretch. I felt especially forgiving after reading his afterward where he described his inspirations for various aspects of this story. I thoroughly enjoyed it.

James Moser has created a very unique story that is sure to be a hit for young adults. It has all the elements that a good adventure needs; believable characters, great plot and surprise ending. The story centers around two teens who go through some unusual circumstances before they are finally able to discover their true feelings about each other in spite of the curve balls life throws at them. The plot features intrigue, suspense, action, and love all written to keep the reader interested until the end. Moser has done his research well. The story line, language and plot are all well suited toward making this an excellent read. Once you start reading this book, I guarantee that you won't be able to put it down till the end.

Chasing Prophecy felt like a young adult contemporary with a slight paranormal element and some thriller thrown in. While the book isn't perfect (it had a few errors here and there and was a little confusing in the very beginning- I've now been told the editing errors have been fixed), it somehow sucked me in and had me loathe to put it down. I loved the setting of the Pacific NW and the male POV. I also liked that Bigfoot played a part in the book and while it wasn't this huge part of it, it was a present thing. Very unique, slightly strange and highly intriguing, I do recommend this book.

I thoroughly enjoyed the characters. The action and plot kept me hooked all the way to the end. Overall it was a very good read.

I liked the Author's use of dialog. It was fast paced and kept me interested. I loved the storyline... long-time friends helping each other. A little Love Story and Scarface.

Very fast and excellent read. Suspense and romance, hard to put down. Author did excellent to keep attention of readers. Look forward to more from Mr. Moser in the future.

amazing, couldn't put it down.
