## Customer Reviews

Ernest Montgomery (b. 1972) originally comes from the Midwest. "I'm still a Milwaukee boy at heart," he says. The professionally trained photographer holds a Master of Fine Arts from NYU.

This is a great book with beautiful photos of Dominican men with picturesque settings! Great coffee table book!! A must for those who absolutely adore Dominican men!!

I received this book as a gift. This book makes me want to travel to the Dominican Republic and see the beautiful Country and Beautiful Men. I want to learn more about the Dominican Culture. The photography is bright and vivid, I love Mr. Montgomery's point of view of beauty thru the eyes of his photography. I also love the design of the book and the paper quality well executed..Definitely a Must have..

I really love this book. The pictures are beautifully done and very tasteful! I look forward to seeing

more from Ernest Montgomery!

Its got some gorgeous Dominican men in it, and the photography is decent (nothing special). Based on what i saw online on other sites i was under the impression that there would be more nudity but about 75% of the photos are clothed. Again, its not bad but not quite what i expected. More nudity wouldve offset the so-so photography, or vice-versa better photography wouldve offset the minimal nudity. Overall its decent, but nothing really special.
