Praise: "This book has literally helped to change my life! I couldn't be more grateful. I have started developing a daily routine and morning ritual using the wisdom contained in these pages. I really like how the author focuses on character building over just doing the right things. What really matters is your character and your mindset, and this book is helping me become a better man." - John Robertson

"At first I thought this book is just about positive thinking. But when I scrolled its pages I realized that this is an entirely different book. This book is indeed amazing and powerful because it talks of ways on how to have a transformed life and mind. The Apostle Paul in the Bible talks about being transformed by the renewing of one's mind and this book will surely guide you into that. Ultimately, one can find everlasting love, joy, peace and security by following the steps outlined in this book. This is such a powerful and inspiring book, a life changer and full of vibrant energy. If you're in the state of negativity, helplessness and hopelessness, I very highly recommend this book. Two thumbs up!" - Henry Tupas
