"What a wonderful thing it is to behold—and to experience—the work of such a highly skilled lensman..." -- Bland Simpson, author

Scott Taylor's work appears in a wide range of publications from books such as Wild Horses of Shackleford Banks to magazines such as Coastwatch, NC Boating Lifestyle, Our State, and Wildlife in North Carolina. He lives in Beaufort, North Carolina. --This text refers to an out of print or unavailable edition of this title.

I used this book for guests to sign at my NC beach wedding. It was perfect and now I leave it on my coffee table.

A "picture book" of the highest calibre. This is one of the most calming and beautiful books I've ever purchased. Mr. Taylor's hauntingly insightful photographs portray the true nature of Coastal Carolina and give the reader/viewer a true insight into the ways of life "Downeast." The Introduction and Forward are as comforting and peaceful as the photos. A book to dream through after a harried day.

I'd move there in a minute if it weren't for the fact that (I'm proud to say) I already have. Heaven is truly closer here by North Carolina's "Coastal Waters."

A landmark book, Coastal Waters reflects the creative genius of a natural photographer in complete harmony with his world. Not since Ansel Adams's in-depth studies of the dynamic and ever-changing landscape of the West has another artist been so in touch with the life and images in his daily world. Please give us more of this talented young man's work.

His best work since "Seashells of North Carolina." A talented photographic tribute to a treasured coastal area.
