Found: Journey To Salvation

Synopsis

FOUND. Journey to Salvation is a wonderful tale of fame, fortune, and a minority middle class teenager with everything but certainty about true faith. The story begins with the discovery that her movie star mom is an active participant in a devilish occult for the rich and famous. As a result, our heroine takes a journey into her own spirituality with a renewed conviction to pursue a stronger fellowship with God. Her eyes are opened by a series of spiritual awakenings including a conversation with a born-again classmate, a pregnant teen, a mysterious woman met while sitting in the park, and an unexplained appearance by an apparition believed to be an Angel from God. Tayonna Gault's story will inspire you with a moral conclusion of what it really means to be Found.

Customer Reviews

My name is Tayonna Gault. I am 15 years of age, born in January. I live with my mother and sister. I have a total of 5 siblings. I am a sophomore in high school. I love my school mostly because the teachers take time to see what all I need help on when it comes to assignments and always explain what I need to understand. My grades so far are A's and B's. I plan on keeping them that way. I've always been labeled as an overachiever. I am a people person and I love trying new things.
