Steven Kroll was the author of over fifty books for children and young adults, including the New York Times bestselling *The Biggest Pumpkin Ever*.

Super cute book for younger kids.

Cute story and illustrations. It sends a nice message about sharing which is always appreciated.

My 2.5yo loves this book. He is smitten with pumpkins right now and loves watching the pumpkin grow and grow as the book goes on. His favorite part though, is when a bunch of mice appear on motorcycles tugging the pumpkin to the fair. There is just something about a mouse on a motorcycle...The illustrations are cute and the story relaxing. This has been a great bedtime book for us. And I love how the two main mice work together to help one another achieve their goals.

Love this book! Remember it from my own childhood. The illustrations of mice climbing inside to carve the giant pumpkin into a jack o lantern are so fun!

I loved this book as a child so decided to buy for my sons reading collection. Great book to read any time of year but especially around Halloween.

Nice little story, the one page made my granddaughter laugh out loud. We have read this several times.

Really cute pumpkin book that is perfect for reading when fall rolls around.

My kids loved this book and now the grandkids love it. A great story!
