Customer Reviews

We love the series, Disney 5 Minute Story Books at our house! They are perfect for bedtime, not too short and not too long! My daughter (6) loves to snuggle up and read these. I was excited to see they had a Halloween one, I also just ordered the Christmas one as well. Great stories and not too spooky!

My preschooler absolutely loves this book! It includes slightly spooky stories involving some of our favorite Disney characters, including some of the princesses, Cars characters, Wreck It Ralph, etc. Perfect for bedtime stories! I would definitely recommend this book for children who are Disney fans.

I bought this for my son's 2nd birthday. He loves all of the familiar characters in the book and really enjoys the stories. The stories are very cute, just a little spooky, and not too long that they won't hold his attention. He picks this book every night to read before bed! Love it.

I know Halloween is months away but I've already picked up this book! Such a great price for such great quality! Well constructed, padded front cover, great illustrations!

Great addition to our "Halloween" library!!

love it

Daughter loves these treasures, so we bought this one for some Halloween story times. Stories are not too scary for 4 year old - she picks what character she wants us to read.

My son loves Halloween and this was the perfect book. The stories are perfect and has all his favorite characters. Not too scary for his age, he has us read this to him everynight
