God Guy: Becoming The Man You're Meant To Be

Synopsis

For more than half a decade, Hungry Planet has been mentoring teens through books on topics ranging from dating and sex to modesty and meanness. Many of those resources have aimed squarely at the needs of teen girls--with Hayley DiMarco playing a big sister role to thousands of them. Now it's time for the guys to have a book that's focused entirely on what it means to apply God's truth to the issues that matter most to them. In *God Guy*, Michael DiMarco helps young males realize that being a man is not just related to age, but rather developing the character and principles befitting a man of God.

This is a very well written book from a man's perspective. It has also inspired me to look at life through the lens of a Godly Man.

Fantastic book for our two young teenage boys. Very relatable; the author does a great job of connecting with the younger generation and offering support in a challenging world. Highly recommend.

Purchased as a gift. Print is very, very small. Great lay-out, but the print is too, too small.

My son found this book to be enriching, encouraging, easy to read, and challenging his walk with Jesus to become stronger.

This is a great book for a young man of faith. I find this best for teenagers. It will encourage you and give you things to think about. This book would make a great gift for a young man, who is a new believer in Christ, or someone who has a strong relationship with him. This is a must-read!

Great book!

Excellent for young men just prior to dating age.

This book does not hold back. Truly challenges a persons walk with Christ.
