These are great for occupying little ones when you need to get stuff done, or on the plane! Bought a couple to send to my niece and nephew as well, and my sister-in-law said they loved them! Just be aware that the booklets are quite small, and only one of the pages are used for placing the stickers on. The rest of the pages are stickers. I gave my daughter a separate page and drew trees and flowers, so she could use up all the stickers.

I bought a ton of these. The price is right and they are the perfect size for entertaining a little one on a car ride/waiting room/flight etc etc.

Darling sticker book ! -- good price

I bought several packs of Fairyland Stickers for my Greatgranddaughters. They had fun sticking them on their bedroom walls. I bought several so I send them now and then. The girls love them. I would definitely order them again .

just the right thing for the tooth fairy to leave for my daughter, who lost her first tooth before money mattered much to her. She was delighted with these stickers, and the price was right.

my 2 1/2 yo grand daughter likes these sticker books. Only good for one use tho. But cheap and small and great for my purse to take along to restaurants . Wish stickers lasted better.

These sticker books are great to purchase to throw in your diaper bag or have on hand when you need something quick and easy for a kid to play with, like at a restaruant or wherever waiting becomes a factor. They might be great for stocking stuffers but otherwise they are too simple for a gift. There are not enough pages to stick the stickers on but they are worth the price I paid since they are so inexpensive.

I order these little activity books for my 5 yr old niece and 3 yr old nephew all the time for holidays and when they come to visit. They are easily slipped into a normal size greeting card and very handy to travel with on the airplane to help keep them busy. For \$1.38 - \$1.50 with free Primetime 2 day delivery, it's a great deal. And I've never been disappointed. There so many themes to choose from.
