This is a beautiful book and a special treasure for keen observers of America's wading birds. The author is a friend of mine and a skilled nature photographer who produced this book with an experienced naturalist. The outcome is an invaluable source of wisdom and wonder. I recommend it highly!

THIS BOOK IS REALLY BEAUTIFUL - PHOTOS ARE TRUELY BEAUTIFUL!!!

This book was brand new, although not noted as so, and came very quickly. I am giving this to a friend as a gift.
