New York City Firefighter Exam Review Guide

Synopsis

Learn How To Pass The FDNY Exam! Learn how to pass the New York City Firefighter Exam and become one of New York's Bravest. The New York City Firefighter Exam Review Guide includes practice questions and instruction on how to tackle the specific subject areas on the New York City Firefighter Exam. Network4Learning has found the most up-to-date information to help you succeed in the FDNY Exam. Following a recent lawsuit filed on behalf of minority firefighter candidates, the FDNY was forced to completely change their exam. The new FDNY exam is a perplexing combination of video segments and reading passages unrelated to firefighting. The New York City Firefighter Exam Review Guide helps you prepare for the FDNY Exam by reviewing only the material found on the actual FDNY Exam. By cutting through anything unnecessary and avoiding generic chapters on material not tested, our FDNY Test Prep Guide makes efficient use of your time. Our authors are experienced teachers who are constantly taking civil service exams and researching current methods in assessment. This research and experience allow us to create guides that are current and reflect the actual exam questions on the New York City Firefighter Exam beautifully. This New York City Firefighter Exam Review Guide includes sections on: Insider information about the FDNY Exam An overview of the FDNY Test How to Overcome Test Anxiety Test Preparation Strategies Exam Subareas and Practice Questions Video Segment FDNY Exam Operations Manual Segment Deductive Reasoning Inductive Reasoning Number Facility Mathematical Reasoning – “Background Information Survey” (Also known as the psychological portion of the FDNY Test) FDNY Exam specific Glossary Our mission at Network4Learning is to provide the most current and useful information. Lewis Morris has written numerous Civil Service Exam Titles. He has a BS and MS in Secondary Education from SUNY New Paltz and a MS in Educational Administration from Touro College. His graduate work focused on Educational Assessment and testing development. He has written Regents exam items for the New York State Education Department. In response to Hurricanes Irene and Sandy, he helped form the Jamaica Bay Community Development Corporation to assist with rebuilding damaged infrastructure and to provide occupational training to displaced residents of the region. He enjoys studying for, taking, writing and teaching about civil service exams.

Excellent, thank you.

Great review for the exam. Arrived on time.

I bought this review guide for the upcoming 2017 filing period. Out of all the other prep books, this guide seems to be tailored or more specific to the FDNY Firefighter exam. I think the guide was useful going through the sections on the Computerized Based Test (CBT). It provides a handful of practice questions for each sections but not a full length practice exam. I find on several occasions that the answer I got that I strongly believe were correct, did not match the answer key. I only wished the study guide would have provided an explanation along with the answer key so that I can understand what I did wrong. Unfortunately, it leaves me to believe that there are typos in this study guide. I would suggest to purchase an additional prep book to compensate on the typos.

Listen it is a great book for detail information but it has nothing to do with test taking skill your best bet is to download the pdf firefighter practical exam online if you really want to ace the exam it will show you exactly what to expect good luck

Son said it's very helpful so far

Lewis morris is a wonderful author
