Agency, Partnership And The LLC: The Law Of Unincorporated Business Enterprises, Cases, Materials, Problems (2015)

Synopsis

The ninth edition of *Agency, Partnership and the LLC: The Law of Unincorporated Business Enterprises, Cases, Materials, Problems* incorporates developments in the law of agency and unincorporated business entities since publication of the Eighth Edition in 2011. The courts have considered many issues arising under the revised general and limited partnership acts as well as the limited liability company acts and the most important of those cases have been included. Significant developments have occurred in relation to limited liability companies, where the courts have decided numerous cases in the past several years. Each chapter contains several Notes sections, to help the reader understand the immediate issue at hand, and ends with a set of Problems geared to helping the reader bring the chapter together. This book is also available in a heavily discounted, three-hole punched, alternative loose-leaf version printed on 8 1/2 x 11 inch paper with wider margins and with the same pagination as the hardbound book.
