Compliance Management: A How-to Guide For Executives, Lawyers, And Other Compliance Professionals

Synopsis

This practical guide shows how to build an effective compliance and ethics program that will lower a business's risks and improve productivity. Offers a step-by-step guide to creating and managing an effective compliance program. Showcases the latest best practices in a world of ever-changing regulations. Identifies the importance of developing and maintaining a corporate culture of "doing the right thing" and shows how ethical training can improve compliance. Features interviews with and best practices from top compliance executives, judges, Department of Justice attorneys, and Archer Daniels Midland informant Mark Whitacre. Provides easy-to-understand overviews and recommendations for complying with specific laws

Customer Reviews

"Although the book is geared toward lawyers, executives, and compliance professionals, all employees, employers, managers, and business owners would benefit from familiarity with the basic compliance and business principles outlined in the book. This book would also be very useful in a classroom setting. It is a well written, easy read that provides an overview of compliance management." - Milwaukee Bar Association Messenger

Nitish Singh, PhD, MBA, MA, is associate professor of international business, director for program innovations and program leader for Certificate in Corporate Ethics and Compliance Management at St. Louis University. Thomas J. Bussen, JD, MBA, Certified in Ethics and Compliance, is a licensed attorney and cofounder and vice president at IntegTree LLC, an ethics and compliance consulting

company.

An extremely relevant and insightful overview of modern corporate compliance. A must-read for everyone in the compliance industry and a helpful guide for nearly all business professionals.

Thank you!

Yes, it was great.

ÃƒÂ¢Ã ¬Ã Ã“Authors have created and successfully established an interesting, solid foundation, and a practical approach to promoting the sense of ethics and compliance in professional practice. Readers will benefit from this valuable book and will find it very informative in attempting to clarify the complications of ethics and compliance in practiceÃƒÂ¢Ã ¬Ã Â• Dr. Sam Eldakak-Marietta, Ga. USA

I found this book a must read for executives, compliance managers and general counsels. It is a very practical guide on how to best implement and manage compliance. I highly recommend this book.
