Come And Get Me: Season One, Episode One (The Odin Chronicles Book 1)

Synopsis

Noel: I'm finally free and able to patrol my own territory without Marco being by my side. I really appreciated everything he's taught me, what can I say... that big, brutal bastard grew on me. However, before I can embark on my new life as a General, I have to fulfill a debt my Father owes to the dragon king, Evander. This should be interesting. At least I'm not going alone. Dante, newly-mated to Josef, will be going with me. Elijah: Today is the day our plan finally comes to fruition. I'm praying that everything falls into place just as we have designed it to. But you never know with these sort of operations. Humans can be as unpredictable as supes. I do know one thing, Deacon better come and get me. Vex: As a reward for my loyalty and service, my King has given me permission to pick the human I want to have turned into a werewolf. I've had my eye on the perfect guy, too. Whether he wants to be a wolf or not doesn't matter to me. Once it's done and he's mine, he'll learn to heel and obey. Kendrick: It's been a long time coming with years of strategic planning, from the night I killed my Alpha to the day I killed the dragon king, making me a ruler in my own league. I've had my eye on the Odin Colony for over a decade, but I knew I needed to wait until the right moment came to strike. They should fear me, because when the dust settles and the streets are flowing with blood, I will be standing victorious. Warning: This series is highly addictive, and fans have complained that it's all they can think about, oftentimes re-reading each book until their next fix. Be further warned: This serial contains strong adult content not meant for sensitive eyes as each episode will be filled with dark, twisted, raunchy and steamy scenes between powerful, sexy men that will either offend you or get ya revved up. This series will not be pulling any punches, and it won't apologize for hurting your feelings, either. You'll find no fluff and ruffles here. The vampires are not misunderstood, hopeless romantics looking for love. The werewolves are not cute and cuddly and the dragons aren't the ones from your childhood. This is NOT a romance.

Customer Reviews

As always an excellent read. This book has a lot going on, the players are changing slightly and the chess pieces are being moved into place. The kingdom of Odin is in flux as two wolf packs are planning attacks. Vex is a new player in the dragon kingdom and Noel is now an enforcer. Theoden is slightly present for this book as it really focuses on the wolves. Look forward to the out come of this installment.

This book is the continuation of the adventures of Noel ,(son and general of Theoden prince of New Haven) his brothers , his son and his father .I recommend those who haven't read The New Haven series to read it before . Come and Get Me is a dark , violent , erotica full of hot sex M/M story . There is lot of news charismatic characters , such as King Evander (the most beautiful Dragon that Noel has seen) , Vex (a Dragon Knight) and Kendrick (a hybrid Dragon Werewolf ambitious that covets the territory of Prince Theoden) . I enjoyed Come and Get Me very much . If you looking for a Hot like hell M/M story , you will love this book .

Dragons are sex addicts, Vampires are sadist, and Werewolves are just sick. Nickolas Bella you are the Master of Paranormal Smut!!!! I just can't get enough.

Sir Nicholas, you've done it again!! Bravo!! Excellent book and what a page turner. Looking forward to what is to cum next.Your biggest fan,Melissa C.

Breathe just breathe!! Wow!! What a wild ride!! Nicholas's series are such an escape from the every day blah. He takes you on a journey that leaves you breathless and begging for more. Totally addictive!!

Very dull and poorly written,

Awesome series can't wait for more.

When you open a book you want to get pulled in. You get this and more every time you read a Nicholas Bella book. He ups his game every single time. This series starts off where New Haven Series ended. You not only get familiar characters, which by the way was great to see. You also are introduced to new ones. More sexy vampires, dragons and wolfs to love or hate. And to me what brings you in is no matter if you see them as good or bad, he puts you inside their heads to see why. You get so involved with their story, you don't realize that you are even reading a book. You are living their lives. This series will make your heart race, make you want a cold shower, have you laughing at moments and just want more. Who knew that Supes could be so sexy and kinky? Of course there is violence, cause not everyone gets along. There is greed of wanting more, plans to kill to get back what they feel they lost. The list goes on. They all want to be number 1. This is a action packed book. You get what you expect and more. The boys are definitely back!!!!
