The designs on this book are very cool. I especially love the double and triple cuffs. Some of the length stated in the instructions are either for infants or really small children because my mom had to redo the cuff two-three times before she got to a length that fits me and my sister. Otherwise this book is a treat for loomband lovers.

Tons of ideas. Ideas that everyone will love..

gave me some more clever ideas of my own. my daughters really like some of the cool things that can be made with the loom. NOW they want a big loom also.

:) I don't know why my rubber bands keep falling apart on my loom when I try to take it off I'll keep trying...

Yes great book with easy to fallow directions so the kids can make without getting mad which is better for everyone

Wonderful book and the arrival was as stated. Thanks!

Fast delivery...great price!
