Encountering Jesus In The New Testament

Synopsis

(© 2009) This text has been found in conformity with the Catechism of the Catholic Church. Encountering Jesus in the New Testament is an excellent introduction to the New Testament. It is an ideal textbook for Catholic high school students taking a scripture survey course. "Who is Jesus of Nazareth?" "Who is the person people of faith call 'Christ, the Son of God?" These questions form the central focus of Encountering Jesus in the New Testament. The text provides a scriptural and ecclesial foundation to answer the question of why Jesus is the Christ, the Son of the Living God. It explores how the New Testament offers evidence and faith testimony to the Life, Death, and Resurrection of Jesus Christ. Encountering Jesus in the New Testament is a combination of Christology--a complete study of the person and the divinity of Jesus Christ--with an overview of the books of the New Testament. Each chapter includes several special features: Panel activities that help the students foster total learning in hands (service), hearts (prayer), and mind (academic challenges). Review questions for each main section. Several Journal Assignments for deeper thought and reflection. Key vocabulary terms set off in margin panels. A Learn by Doing project for each chapter that provides a longer-term assignment. A Called to Prayer feature offering text from a prayer relevant to the chapter theme. The content and detail in Encountering Jesus in the New Testament is unparalleled for introductory high school scripture courses and offers support for the introductory courses of the U.S Bishops' Curriculum Framework.

Book Information

Paperback: 332 pages

Publisher: Ave Maria Press; Student edition (January 1, 2009)

Customer Reviews

Michael Francis Pennock (1945-2009) was the author of several bestselling textbooks for Catholic high schools, including, Encountering Jesus in the New Testament, Your Life in Christ, Our Catholic Faith, and three recent texts to support the new US Bishops' curriculum framework. He remains one of the most respected names in catechetical circles. Pennock taught theology for more than thirty-five years, mostly at his beloved alma mater, St. Ignatius High School in Cleveland, Ohio. His students, numbering more than fifteen thousand, continue to pour out their remembrances and support for the man they called "Doc Pennock."

there is ebook for this but it sucks

loved it

Excellent condition and just the book I needed.

Mandatory school book. You can never go wrong with Jesus!

needed for school

order was filled and shipped on time, and arrived in excellent condition, not bent or torn or anything. Would never order or read or use unless as a textbook, but I ordered it as a class textbook and the experience was flawless

the product came in right away. the product was exactly as described. i would definitely do business with this seller again.

Being able to order used books online has put pressure on high schools and colleges to lower prices of their used books. Capitalism at its best! Take advantage of it before the publishers figure another way out to screw us!!
