Scenic Driving British Columbia (Scenic Driving Series)

Synopsis

Scott Pick's guide to British Columbia combines all that makes the Pacific North Coast such a magnificent and untouched wilderness: the soaring coastal peaks, the drifting mist, the thundering waterfalls, lush rainforests, and massive glaciers. This guide covers every corner of the province. From scenic routes just outside Vancouver to the rugged Glacier Highway in northern B.C.

Product Dimensions: 9 x 6 x 0.9 inches

Shipping Weight: 1.2 pounds

Average Customer Review: 4.5 out of 5 stars 3 customer reviews

Best Sellers Rank: #1,025,647 in Books (See Top 100 in Books) #106 in [Books > Travel > Canada > Provinces > British Columbia](#) #448 in [Books > Travel > Canada > General](#) #789 in [Books > Travel > Food, Lodging & Transportation > Road Travel](#)

Customer Reviews

Massive glaciers, raging whitewater rivers, remote lakes, giant old-growth forests, fierce mountain ranges, wave-battered coastlines, thundering waterfalls, and plentiful wildlife--these are but a few of the natural wonders awaiting travelers who explore British Columbia's extensive network of highways and back roads. From Vancouver to the Alaska Highway to the Canadian Rockies, this rugged and beautiful land is one of the most pristine places left on earth. Scenic Driving British Columbia has everything you need to plan your expedition. Author Scott Pick, a native British Columbian and professional writer and photographer, has written more than a travel guide--this is a passionate portrayal of his homeland. Area histories, exciting side trips, and details about recreational opportunities accompany clear maps and mile-by-mile trip descriptions of 29 drives, including three amazing Circle Tours that integrate BC's popular ferry system. An extensive appendix of phone numbers, addresses, and web sites completes the package to make Scenic Driving British Columbia an indispensable companion on your journey across this inspiring province.

Here we have the, I think, ultimate guidebook to driving British Columbia. Condensing the rich possibilities into a single book is an overwhelming task, but is successfully accomplished here. Some of the drives listed are difficult to get to, especially the ones in Northern BC, but they are exhaustively documented and obviously well researched. I am planning to take many of the drives this year, at least the paved ones. I now have a good idea what to expect. The author takes great pains to mention other side roads that contain hidden wonders that await you, as well as the ones that might be not worthwhile. All in all, this is a very handy guide I have studied cover to cover, and have mined for information about this beautiful destination.

Very compelling and full of great ideas. We are going there and know that this will be a help as we travel

Great book, usefull tips
