Prepper Pete's Gun Of A Son: A Gun Safety Book For Kids

Synopsis

*** #1 Bestseller in both CHILDREN'S NON-FICTION and SHOOTING (May 2015) ***
#179 OVERALL in .com KINDLE (May 2015) *** TOP TEN on for CHILDREN'S SAFETY (Mar.-Sep. 2015)***
Another original Prepper book for kids! Prepper Pete works very hard to keep his family safe. When his son Charlie becomes old enough, they enroll in a gun safety class together. Join our hero, his son, and their friends in this fabulously illustrated book as they explore many of the important aspects of gun safety.
A Note For grownups If knowledge is power, then in the case of firearms, "knowledge is safety." Familiarity with guns for kids often helps avoid the "forbidden fruit" syndrome, which can create a safer environment. When they are an appropriate age, work with your kids to familiarize them with firearms, and always stress the importance of gun safety!
"Some people prepare because they are afraid. Our family does not have to be afraid... because we are prepared!" -Prepper Pete

*****IMPORTANT: This book is intended to be used as a launching point of discussion with children. It is NOT intended to be a substitute for an actual firearms safety course. Seek out a local safety course in your area, and attend with your child to demonstrate to them the importance of gun safety.

Customer Reviews

As you know regardless of what you say to your children, sometimes they only heed advice when it comes from an outside source. This great little book repeats the advice we've been giving our daughter regarding firearms and allows her to digest it in her own time. This book is well-written and easy to understand for little ones a great resource to the introduction of the sport of Marksmanship.

I absolutely love this book. It made gun safety really easy to explain to my kids. I love the idea of instilling respect for firearms and not fear of them. The author really hit the mark with Gun of a Son! I can't wait to check out the other Prepper Pete books!

The Kids love reading these books and I enjoy how they bring about curiosity, questions and simple learning. These books have inspired some wonderful conversations and in a relatively easy way that holds their interest and hopefully provoke future awareness.

Awesome book - the whole Prepper Pete series is great! This is the first children's author I have found who accurately and correctly teaches firearm safety and responsibility. It is a fun book that my kids enjoy rereading on their own.

On the Kindle app on my iPad, only the even numbered pages display. Don't know if it is the book or the app. I have the latest updates for both the Kindle app and IOS.

My 5 year old and I enjoyed the book!

good read

Nothing like teaching your kids safety at a young age!
