Customer Reviews

For almost 20 years, Brain Games® has been the go-to name for puzzle book and magazines that are both entertaining and mind building. Based on the recognized science that games train your brain to think quickly and creatively, BG puzzles cover all bases: logic, word puzzles, cognition, spot the difference, and more.

Good for my mother-in-law to challenge the mind and keep her occupied during the days

Gift for my Mother. She really enjoys the spiral bound word search puzzles.

I bought this book for my 82 year old dad. He really likes it, he said he feels like he is exercising his brain more which is why I bought it and is easy to use with the spiral bound. He locates the words but does not mark them. Smart strategy, he can start all over after he completes the book. Good Purchase!!!

Excellent except for the fact that not all the puzzles were truly large print.

Bought for my 95 years old father to encourage mental activity, he enjoys it having been an avid reader. He enjoys it a lot.

Arrived on time and as described. Good fun! Will use this seller again.

My mom asked me to find this book. She had a scanned picture of it and that was it. It was pretty easy to find. She is enjoying it very much. Very good for learning different words and expanding knowledge of biblical items. Helps to pass the time; words are large enough to see, for those who vision issues with smaller print.

The words are big enough to see love it
