## Customer Reviews

Christiane Slawik has devoted herself to horse photography with body and soul. Filled with enthusiasm for horses since her childhood and having felt comfortable in all saddles of the world for over 30 years, she financed her academic career with paintings and photographing horses. After several stays in the U.S., a radio-cooperation followed and afterwards many years of moderating, including the job as editor-in-chief at a television station in Germany. Today Christiane Slawik writes and photographs for several international professional journals and publishing houses. On the search for expressive moments the photo-journalist is steadily inspired by the respective situation, by light and color, by the aesthetics, and the individual charm of each horse. Her photographs and paintings have been exhibited in multiple shows.

I'm particular about horse pictures--so many horse pics are just bland & not very good quality. These are works of art, though! Some are gorgeous, others adorable (like April's pony picture), but they are all a pleasure to look at. I also really like the small blurb that says who the horse is; it doesn't just tell what the breed is, but something personal about the horse & their names. It's nice to

look at the beautiful picture all month and feel like you know who the horse is.

I love it ,but it would be much more useful if the small months were at the beginning of the next year and not at the end of the current year.

Beautiful high quality!

My granddaughter REALLY wanted a HORSE calendar, and she was thrilled!!!

Bought as a gift and recipient loved the photos.

Great gift for the horse-lover!
