United States Air Force Scrapbook (Military Scrapbook Series)

Synopsis

Thoughtfully designed and beautifully produced, this handsome volume gives the scrapbooker the opportunity to preserve and present the professional successes of the members — and former members — of the United States Air Force. It provides a special place to keep and display photographs, mementos, letters, and stories as a personal testament to one’s accomplishments. The scrapbook contains a removable section offering scrapbook-making ideas and techniques, sample projects, instructions on using the album, 20 decorative pages printed with military-inspired borders and patriotic motifs, protected in clear acetate sleeves, and 16 top-loading poly sleeves. At once sumptuous and personal, this album provides a creative way for service personnel to remember and to display their proud history. The United States Air Force Scrapbook is a keepsake for the entire family to enjoy as well.

Customer Reviews

I would have kept it, if it didn't come with a hole in the front cover. I'm afraid to buy another one here.

Great Book! Well made.

Love it

These are beautiful, perfect for a Christmas family tribute.

This item was above my expectations. Is being used as a memory book for memorial service. Could not ask for a better product.
