## **Customer Reviews**

Perfect for bed time! My girls love to listen to these little short stories. My girls have no interest in the rhyme pages as 90% of the rhymes don't even rhyme.

One of the few fairy tale/children's books I could find that included at least SOME people of color.

The stories are fine so far, but I really do appreciate the characters diversity.

This is a beautiful book for the price. I was pleasantly surprised and my granddaughter loves the vibrant pictures. Highly recommend.

Such a cute book. Love it for bedtime stories.

colorful pages and easy to read.

Our grand daughter will love them.

Condensed stories. Easy for children to understand and keeps their attention.

Loved it!
