Marjorie Sarnat isÃ Â the author and illustrator of Dover'sÃ Â bestselling Creative Cats Coloring Book and Owls Coloring Book as well as more than a dozen other books on art and creativity.The Chicago native is an award-winning mixed-media artist whose fanciful coloring book style evolved from her love of patterns, which she developed in the course of her work as a textile designer.Ã Â

I love these coloring books, they are perfect without being to hard to color, nor are they to simple. So much fun to color. I have every single book of hers, some two and three of the same!! Also gave one to my daughter and granddaughters!! I noticed she has a couple more coming in 2018. I will be

buying those also. Keep them coming and I will buy them!! I love that they are on one side, nothing on the other side. I can't get enough of these wonderful books to color!!! Thank you so much.

Puppies and coloring....what a great combination.This is a super coloring book and I have already enjoyed doing several pictures.One of my favorites in my collection.I waited for this to be released because I knew it would be worth it, and it was.

Another Marjorie Sarnat winner!! I love this book. Each puppy or puppies are in a themed scene that are fun to color and so cute when completed.

Really nice designs. I wish the paper was a bit heavier. I have already ordered a second copy. The designs are whimsical but they require coloring experience. There is a lot of detail in each drawing.

I had such a hard time choosing which picture to color first! I love Playful Puppies! All of Marjorie Sarnat's books are wonderful, but if you are a dog lover (and who can resist adorable puppies?!) this book is for you! From a coloring perspective, there is something for everyone. Various themes, detailed, not as detailed - each full of fun!

Too fussey. Got tided before I started. Haven't tried one pic yet.

another awesome book from Marjorie! Love this lady's art designs!

Lovely art work and very happy
