Serenity: Everything's Shiny Adult Coloring Book

Synopsis

Based on creator Joss Whedon's space pirate crew and all the elements of their futuristic western-inspired universe, the original illustrations in this volume celebrate characters, locations, and the essence of everything that began in the cult-classic television series *Firefly* and continued in the film *Serenity*. You can influence the 'verse as you bring color to these black and white illustrations that feature Captain Mal, and all the members of his crew: first mate, pilot, mechanic, doctor, mercenary, companion, preacher, and rescued psychic. You'll also find landscapes, cityscapes, and scenes of space: western-inspired towns, futuristic ports, a galaxy of planets--and so much more. These forty-five original and inspired illustrations take you into the world of *Serenity*, from the core worlds all the way to the outer rim! Includes 45 pieces of highly detailed black and white artwork to color! All artwork is original and created explicitly for this official adult coloring book.
