Easy through about the first 150 puzzles. A few after that are a little harder, but not by much. They would probably be rated five-star had they been published in USA Today.

Wonderfully difficult but not unsolvable.

My mother loves this book. She has completed the mensa version of sudoku so many times I was looking for something else comparable. This fit the bill. *Love* Will's portrait too!

definitely a challenge. Will be getting more

Too hard for my brain. I gave it to someone smarter and more patient than me.

Many hours of enjoyment.

Would've preferred a bit harder to solve but still an excellent book!

Great puzzles
