Field Of Graves: A Thrilling Suspense Novel (A Taylor Jackson Novel)

Synopsis

With *FIELD OF GRAVES*, New York Times bestselling author J.T. Ellison goes back to where it all began. All of Nashville is on edge with a serial killer on the loose. A madman is trying to create his own end-of-days apocalypse and the cops trying to catch him are almost as damaged as the killer. *Field of Graves* reveals the origins of some of J.T. Ellison's most famous creations: the haunted Lieutenant Taylor Jackson; her blunt, exceptional best friend, medical examiner Dr. Samantha Owens; and troubled FBI profiler Dr. John Baldwin. Together, they race the clock and their own demons to find the killer before he claims yet another victim. This dark, thrilling and utterly compelling novel will have readers on the edge of their seats, and Ellison's fans will be delighted with the revelations about their favorite characters.

Customer Reviews

This book was wonderful refresher as to why I got hooked on your Taylor Jackson books. I am so glad that this book had a chance to get into print! You are definately an author that I love to follow! Looking forward to what comes next! Good job!

I have no clue what it is about as has been too long since reading it!!!! What I do remember about all Ellison,s books as they are each excellent. Wish they would come faster.

You will not want to stop reading. I recommend that you start on the weekend!

I greatly enjoyed the character development and the smooth plot line. Taylor is a strong woman who manages to stay feminine, nothing wishy washy about her. I'miss reading each book in this series.

I very much liked this book. It goes back to the beginning of Taylor's and Sam's stories and explains a few things. This was Ms. Ellison's first novel and is the beginning of the series for these two women. Must read!

This was the first book in the Taylor Jackson series....answered a lot of questions I had about how it all began. Now on to the next book!

I just recently discovered this author and absolutely love her writing!

Excellent book. I live close to Nashville so it was very easy to visualize what and where it was happening .
