Customer Reviews

I have learned so much from this book. It was very informative and easy to understand. I will be reading it again. I am also going to practice the exercises. Hopefully, they will help me to calm my busy mind down so I can be open to Spirit. I would certainly recommend this book to anyone who seriously wants to either become a medium or just to communicate with a loved one.

I've been following Emily's work for a few years and was excited to hear that she wrote this book! It's an amazing introduction to mediumship with practical exercises to get you started right away, something a majority of mediumship books are missing. This will also be an amazing reference book for me to keep coming back to when I want to practice practice practice.
