Customer Reviews

24 Self-guided Tours. 39 Maps. One Great Trip. At last, a travel guide that tells you how to see the best of everything in the smartest, most time-efficient way. The best of Stockholm in one, two, or three days Thematic tours for every interest, schedule, and taste Walking tours of the city's best-loved neighborhoods Hundreds of evocative photos Bulleted maps that show you how to get from place to place Hotels, restaurants, shopping, and nightlife for all budgets A tear-resistant foldout map enclosed in a handy plastic wallet you can also use for tickets and souvenirs Find news, deals, apps, and expert advice, plus connect with other travelers at Frommers.com

After co-writing learned volumes on Japanese prints and guitars, Mary Anne Evans turned to her more immediate surroundings and became one of the leading travel writers on London and Britain,

particularly on restaurants. Several guide books and many magazine articles later, Europe beckoned. Stockholm has always been close to her heart as she is married to a Finn and has spent many happy holidays in Stockholm and Finland.

Great book if you are planning a visit to Stockholm helped with our planning for our 4 days there. Definitely use the Hop on Hop Off boat and bus combination in Stockholm to save a lot and get around easily

I compared several guides prior to purchase and settled on this one. It is small and compact but does not appear to lack on important information. The fold out map in the protective pocket is perfect for use during walking tours. All the useful information is included in this handy and excellently priced guide.

We used this and another guide book to assist us in our 10 day trip to Stockholm and Uppsala region of Sweden. The maps were excellent and it helped us determine how best to allot our precious time. Our top two Stockholm highlights: the Vasa and Millesgarden. If you venture to Uppsala, you can see viking mounds and follow St. Erik's path.

Been traveling for decades and whenever I'm planning a trip to a new city I go to Frommer's guides first. Never been disappointed in recommendations and the simple descriptions of sightseeing in a city. After 30 years I still stay at the hotel in Paris I found in his guide.
