Customer Reviews

Moira McCrossan and Hugh Taylor are Scottish-based travel writers and photographers, who have written or contributed to over thirty guidebooks. This guide is a culmination of several years travelling extensively throughout Jordan. In 2000, Hugh was presented with the Minister of Tourism's Award for services to Jordanian Tourism.

I like this guide, because it has useful and vital information for everything is needed for a trip. The writing is clear, easy to read and has exactly the amount of historical and cultural datas needed for a visitor. I like the little windows with supplementary information, located on the margins of the main writing. They are very useful. The maps from the book seems to be accuerate. It's very good that the guide has also a detachable map. I consider that this map is a little too big to be used on the field, though it can be folded, Maybe for the following editions, it can be separated in two maps: one for the country with its datas and the other for the citiesIt's a good, easy to use and friendly to read guide. I recommand it!Iris
