Customer Reviews

I was sure my niece, who adores the movie Frozen, would love the Frozen audiobook over Tangled, but after reading rave reviews for this Tangled audiobook, I decided to buy both. She listened to Frozen once, said it was "good," but meanwhile has listened to Tangled four times and still loves it. This really was the better choice.

I loved every bit of this book. I'm a 45 yo female, with no kids so I bought this book for me, along with a few others. I have not seen the movie yet but I have already pre-ordered the dvd. Buy it for your pre-teen or anyone else who loves fairy tales! What a cute book!

The book was very interesting although the author could of added another very good chapter! I choose to read the book because I wanted to see if it were as good as the movie, but its really not. ITS WAY BETTER!

Never ordered

My daughter is almost 7 and could not get enough of this book. We would read it in bed at night and every single night it was, "One more chapter, one more chapter!" Very well-written and as enjoyable as watching the movie, which we absolutely love!

This was a great segment for Disney to hit... my daughter is 6 and just getting a grip on what she loves to read.. and she loved this... it is a chapter book so it was challenging for her but we read it together and she loved being able to take this story and equate it to the movie she saw.

Smooth reading. Entertaining and submersible.

it was a great book.Plus as a 9 yr old it was an easy,awesome cool courageous double awesome Quadruple awesome book
