Rain Forest Experiments: 10 Science Experiments In One Hour Or Less (Last Minute Science Projects With Biomes)

Synopsis

Down to the wire? Have you waited until the last minute to start your science project?

Don't worry, award-winning author Robert Gardner has you covered! Each experiment in this book follows the scientific method, and can be completed in an hour or less. Find out how does your rainfall compare with a rain forest, create a model aquifer, and make a cloud. Most experiments also include ideas for science fair projects, in case you have more time than you originally thought!
