“The stuff of crackling theater. Combining investigative zeal and theatrical imagination with insider access, Oslo invites you into the chambers where the Oslo Accords between Israel and the Palestinian Liberation Organization were forged during nine fraught months in 1993.” —*NY Times*

“A riveting political thriller. Oslo makes a complex historical event feel intimate and profoundly affecting.” —*Associated Press*

“Gripping, big-boned and remarkably entertaining. Oslo feels excruciatingly necessary and timely.” —*New York Magazine*

When the Israeli prime minister and the chairman of the Palestine Liberation Organization shook hands on the White House lawn in 1993, the world watched in awe. Oslo tells the story of the key people who orchestrated this momentous occasion, emphasizing the intricate (and sometimes comical) human journey that led to this historic event. The diplomats and politicians from Israel, Palestine, Norway, and America who participated in the behind-the-scenes discussions come to life in Rogers’ wonderfully complex characters. As much a story about people as politics, Oslo casts a bright light on the humans behind the history. Oslo premiered in the fall of 2016 in a sold-out run at Lincoln Center and opens on Broadway in April 2017. J.T. Rogers’ plays include *Blood and Gifts*, *The Overwhelming*, *White People*, and *Madagascar*. He was nominated for a 2009 Olivier Award for his work as one of the original playwrights for *The Great Game: Afghanistan*. He is a 2012 Guggenheim fellow in playwriting. Other recent awards include NEA/TCG and NYFA fellowships, the Pinter Review Prize for Drama, the American Theatre Critics Association’s Osborne Award, and the William Inge Center for the Arts’ New Voices Award. A politically charged drama from acclaimed playwright J.T. Rogers

You will not be able to put it down. More packed power and raw clarity than a semester of recent Mideast history. One of the very finest examples of well-informed political theater. For us now, we watch and wonder: How will it end next time?

Awesome play. Saw it at Lincoln Center then had to read it again. So well done.

I have not read a play since high school but I enjoyed the experience. Wonderful drama.

Intelligent, relevant, and Tony Award winner for best play.

Who know a story about Palestine and Israeli peace negotiations could be so funny?

Excellent historic read.

One of the best plays I have ever encountered! Funny! Trenchant! A joy throughout! It plays brilliantly in your head!

Well written and very timely
