Customer Reviews

I am the type of person that was always sick of eating out because of how pricy it was, but I never really found an alternative to that, that is until this cookbook. I used it, and now I'm cooking this like no other. It's so fast, and it costs less than half of the price of what I would be getting if I went out, and often, it's something that I do take for granted. This is a great cookbook, allowing me to have good, nutritious foods fast, and without too many problems as well. I highly recommend it.

I never thought about getting an instant pot until now, however after reading this book, I realized it was super easy. I mean, I've heard a lot about it before, and while I've thought about getting one, this book totally sold me. the recipes are so easy, and they are certainly something that I've really liked learning about. I definitely recommend this book for anyone who has heard of the instant pot, is curious, and wants to learn more about just what the instant pot is, and what the extent of the various elements you can use with it are.

This book is very helpful as it teaches you how to use your instant pot and it answers some of the most common questions that appear when you are using your instant pot. It is also full of delicious recipes. I have tried to make the Instant Pot Oreo Cheesecake and it was really amazing.

Learn from this outstanding guide book the countless benefits of instant pot cookbook with extraordinary recipes fun. If you will start once making these recipes in daily casual then you would be considered the capable chef of your kitchen with the expanding and innovative recipes of different taste and take advantage from instant pot while using it.

Yeah, instant pot is a game changer in cooking healthy and delicious dishes. Well, if you still have some doubts about any buttons on your IP, this guide will make clear that thing for you. I like that mushroom gravy recipe very much. And you should try Lasagna too. I've found it's awesome.

This book has recipes for all types of meal! First I bought the instant pot but I didn't have any recipes to cook and it was really hard for me in the very beginning but after buying this book my life

became more easier. Thank you very much!

Being a fan of the Instant Pot and Slow Cookers, I found this book very uplifting with it's healthy recipes. I always enjoy when a cookbook gives back more than what I expected. Not just another thrown together recipe book. I am enjoying the health aspect of the recipes.

As a new owner of an Instant Pot this is a welcome book. This book has the most delicious recipes. Thanks so much for the effort to compile these delicious ricepes ...I love my new kitchen tool!
