# Frommer's EasyGuide To Rome, Florence And Venice 2016

## Synopsis

For the first-time visitor to Italy (a giant audience), the itinerary of this Easy Guide is the classic pattern: while countless other places are almost -- we stress "almost" -- as compelling, these magical three cities overawe all others. And we've enlisted three superb researchers and writers to capture them for you. Eleonora Baldwin lives in Rome, where she is one of the city's foremost experts on local cuisine and culture. Donald Strachan, who lives most of the year in Italy, has written books and articles on Italy for more than 20 years. Stephen Keeling is an Oxford graduate who won a much-coveted journalistic prize in 2008 for his Frommer's Guide to Tuscany and Umbria. All three have teamed to prepare this revised and up-to-date guide to Italy's classic "three".

## Customer Reviews

Eleonora Baldwin has written, edited and contributed to numerous travel and lifestyle publications, and her writing appears regularly in several online food columns. She is a lifestyle writer, journalist, blogger and Italian culinary/travel show host, and also gives personal culinary tours of Rome and city outskirts, for small groups. She lives in Rome, Italy. Stephen Keeling has been traveling to Italy since 1985 (when a serving of gelato was 1000 lire), and covering his favorite nation for Frommer's since 2007. He has written for The Independent, Daily Telegraph, various travel magazines, and numerous travel guides as well as authored the award-winning Frommer's Family Travel Guide to Tuscany and Umbria. Stephen resides in New York City. Donald Strachan is a writer and journalist who has written about Italy for publications worldwide, including National Geographic Traveler, The

Guardian, Sunday Telegraph, and The Independent. He resides in London, England.

Very useful guidebook. The Frommer's Easy Guide gives useful advice and trip tips that were definitely cost and time saving. After reading the book I felt like I could tackle Rome, Florence, and Venice all in one two week trip to Europe with ease. Definitely take the time to read through the book and make copies/rip out any relevant pages to take with you. There's no sense in lugging the book everywhere, it's too big for that. Anyway, enjoy some photos of me taking in all of the classic touristy things to do in Italy (based on recommendations from the Frommer's Easy Guide)! :)

This book is the first of many travel books I bought to research suggested accommodations, restaurants, places of interest, local transportation, etc in Italy. Unfortunately I had to cancel my trip to Italy due to my sister not being able to go however this book is a great resource for me when we are able to reschedule the trip.

This book has exceeded our expectations on how clear and concise it is! We are even more excited to plan our itinerary for our upcoming trip to Italy. Thumbs up to Frommers!

Amazing guide. The best you can get.

Very helpful. It gave us good information about tourist attractions when we were there.

Excellent guide.

Great read. it really has all to see in Italy. Can't wait for my trip!

Great guide; lots of great recommendations and compact. Print small.
